A gripping time-slip adventure set in a hidden valley. 11-year-old Lucy travels across the river of time to fight fires, battle floodwaters and discover the meaning of true friendship. Enchanting, exciting, and shimmering with magic, this is a gorgeous adventure from a master story-teller. I wanted to follow Lucy right through the wall. - Kate Constable. The room was full of moon shadows and dancing light. But it was the wall around the window that Lucy couldn t stop staring at, the one with the painting of Spring. It was as bright as a sunny day and the tiny yellow flowers that covered the fields were moving, as if a breeze had blown through the painting and set all the petals dancing. Lucy McKenzie can walk through walls. Sent to stay with her Aunt Big in a hidden valley, Lucy discovers the old house is full of mysteries. One hot night, she hears a voice calling from inside a painting on the dining-room wall.On the other side of the painting, Lucy meets three children. Together they race horses through the bush, battle fires and floods, and make friendships that will last a lifetime. But who are April, Tom and Jimmy Tiger, and what magic has drawn Lucy to them? For ages 8-12.
