Cornerstone. Hardback. Book Condition: new. BRAND NEW, Get it Together: Why We Deserve Better Politics, Zoe Williams, Whether we have children or not we all want the future to be fairer and happier; and Zoe Williams believes that we need to make that happen collectively. Get It Together is a rousing call to arms for us all to play our part in creating a more equal society. Zoe believes that it's not enough to sit back and watch as our NHS slides away from us; as the young and low earners are forced out of London; as hundreds of thousands of people nationally drift into poverty; as education becomes increasingly divided and as the wealthiest five people in Britain earn more than the poorest 20 per cent. Zoe will address key questions including: has the NHS had its day; has an immigrant stolen your job; have you ever wondered why you can't afford a house; and who got us into this mess anyway? She will then offer up, in answer, a combination of fact, opinion and debate that will be as inspiring as it is important. Zoe Williams brings together here all the arguments that occupy the current political landscape and shows us that on all levels, it's lunacy to be anything other than left-wing unless you're actually already an oligarch. She offers us the debate in a truly entertaining way - she's pacey, conversational and funny. This is a road map for a better future that will be a major part of the debate in the run up to the election next May.
