Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

If you were to think about it at this very moment, the ideas would probably fill your head. Yet, even in their simplicity, these ideas might get lost in the noise of your life. But the feeling of overwhelm and not having enough time can sidetrack anyone s progress. The solution can be found through the transformative power of a habit flip. Habit Flip = Identify + Analyze + Disrupt + Integrate + Rebuild It s not always simple to add new habits into your existing routines. Firstly, you have to eliminate bad habits that tend to hold you back. But the essence of a habit flip helps you do just that. You can use them to not only eliminate bad habits, but to also build up routines filled with good ones. Habit flips help to remove the strain of building good habits by first tackling bad habits. This 5-step process will allow you to breakdown your routines, removing the bad behavior with disruptions, then integrating good behaviors. This process helps to rebuild your routines in a way that strengthens the good habits while eliminating the bad habits. LEARN - 101 Small Habits that will Help to Transform your Life In this book Habit Flip: Transform your Life with 101 Small Changes to your Daily Routines, you ll uncover 101 habits that can quickly improve your life. You ll also discover just how to build routines filled with habits that are consistently repeated with the use...
