Paperback. Book Condition: New. Not Signed; When it comes to getting the best results, practice really does make perfect! This Maths revision guide contains practice opportunities to help improve performance in tests and assessments at Key Stage 2. Matched to the requirements of the National Curriculum, this Maths revision guide contains clear and accessible explanations of every topic at Key Stage 2 with lots of practice opportunities throughout. Based on new research that proves repeated practice is more effective than repeated study, revision guides are guaranteed to help improve performance in tests and assessments. There are five spaced practice opportunities for every topic: 1. Quick tests to check understanding 2. Practice questions organised into three levels of increasing difficulty 3. Review questions later in the book 4. Mixed practice questions at the end of the book 5. Free downloadable flash cards for use in the classroom and at home. book.

Reviews

The very best publication i at any time read through. I actually have go through and i am confident that i am going to planning to read through once more once more down the road. I found out this ebook from my i and dad advised this publication to learn.

-- ***Emie Wuckert***

The most effective pdf i ever go through. It is probably the most incredible book i have got study. You wont sense monotony at at any time of the time (that's what catalogues are for relating to if you check with me).
