After working as a physician in a Tennessee hospital, he realized that he could help the world become a healthier place. Working with patients taught him that there were many misconceptions about general health and this was due to the fact that most people had not been educated about proper health. This book was created to teach people all over the world about Dr. Stork and the important contributions that he has made to the world. Whether you already know who Dr. Stork is or if you have never heard his name before, you are going to learn something new. Once more people realize the value of medical education and the positive impact it can have on their lives, more doctors will realize the value in offering important information to the world. Dr. Stork has made it his mission to educate the world about health through a variety of different mediums. Television is Dr. Stork s most well utilized method of communication because he is very well accepted by a wide range of audiences. Travis began his television career on a daytime television show called The Talk.
