Female Logic: Understanding Why He Might Be Just That Into You and Why Men Aren t from Mars or Women from Venus (Paperback)

By Daniel Marques

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Most of the things in which modern women believe regarding relationships and love is conditioned by movies, literature and social values in general. And, apart from any judgment that we could make about this fact, the truth is that the combination of such beliefs leads to stereotypes and behaviors that are now commonly known as female logic. But, women that follow such logic tend to be among the ones with less successful experiences in life. The incongruence between reality and this paradigm leads us to assume that what is logic is not necessarily realistic, but also that most of what composes such logic originates in false, even though highly popular, premises. It s with the intention of analyzing such patterns, in a complete contradiction to the most famous theories about men and women, that this book intends to enlighten the reader into a better understanding about the nature of human beings and life in general. It s, above anything, a book that shows positive insights about life, while promoting a more unifying and healthy relation between individuals of...
