Taking Yourself Seriously: Processes of Research and Engagement

By Peter John Taylor

The Pumping Station. Hardcover. Book Condition: New. Hardcover. 286 pages. Dimensions: 9.6in. x 6.7in. x 0.7in.Taking Yourself Seriously: Processes of Research and Engagement is designed for college students as well as more experienced professionals who want to further their development as researchers, writers, and agents of change. A wide range of tools and processes for research, writing, and collaboration are defined and described-from Governing Question to GOSP, Plus-Delta feedback to Process Review, and Supportive Listening to Sense of Place Map. The tools and processes are linked to three frameworks that lend themselves to adaptation by teachers and other advisors: A set of ten Phases of Research and Engagement, which researchers move through and later revisit in light of other peoples responses to work in progress and what is learned using tools from the other phases; Cycles and Epicycles of Action Research, which emphasizes reflection and dialogue to shape ideas about what action is needed and how to build a constituency to implement the change; and Creative Habits for Synthesis of theory and practice. Researchers and writers working under these frameworks participate in Dialogue around Written Work and in Making Space for Taking Initiative In and Through Relationships. These processes help...
