Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Helion Company, United Kingdom, 2011. Paperback. Book Condition: New. 203 x 142 mm. Language: English . Brand New Book. This clear-sighted account provides a concise study of the performance and tactics of the Prussian artillery during the Campaign in Bohemia against the Austrians and Saxons in 1866. Following a brief introduction on the equipment used, the author provides an admirable precis of tactical considerations, followed by a chronological narrative of the chief battles, describing, for each, the role and performance of the Prussian artillery.
