ECONOMIC GROWTH AND THE ENVIRONMENT: AN INTRODUCTION TO THE THEORY

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Economic Growth and the Environment: An Introduction to the Theory, Clas Eriksson, Economic Growth and the Environment explores the debate on how to reconcile economic growth with protection of the natural environment, and the closely related discussion on whether an increasing scarcity of natural resources will eventually force economic growth to cease. The debate focusses on whether environmental policies will benefit the economy or not, and is divided into growth optimists...
