Alfred Publishing Co., Inc., United States, 2001. Sheet music. Book Condition: New. 297 x 221 mm. Language: English . Brand New Book. The key of D minor sets the stage for the mysterious sounds of this late elementary solo. The opening rhythm of the right hand melody even seems to say Old Daddy Longlegs , and students will have no problem getting the rhythm correct just by chanting the title. An excellent vehicle for moving around the keyboard, the various hand crossings will make this piece as much fun to play as it will be to watch! Turn your student into spider boy or spider girl with this clever solo.
