AMERICAN SWASTIKA: INSIDE THE WHITE POWER MOVEMENT'S HIDDEN SPACES OF HATE (2ND REVISED EDITION)

DOWNLOAD

Rowman & Littlefield. Paperback. Book Condition: new. BRAND NEW, American Swastika: Inside the White Power Movement's Hidden Spaces of Hate (2nd Revised edition), Pete Simi, Robert Futrell, This second edition of the acclaimed American Swastika provides an up-to-date perspective on the white power movement in America. The book takes readers through hidden enclaves of hate, exploring how white supremacy movements thrive nationwide and how we can work to prevent future violence. Filled with powerful case studies, interviews, and first-person accounts, the book explains the differences between various hate groups, then shows how white supremacy groups cultivate their membership through Aryan homes, parties, rituals, music festivals, and online propaganda. Featuring updated statistics and examples throughout, the second edition of American Swastika describes most of today's active white power groups and the legacy of recently disbanded groups. It also discusses new players in the world of white power websites and music and shares new research on how people exit hate groups. As recent events have made clear that the idea of a "post-racial America" is a myth, American Swastika is essential reading for understanding both how hate builds and how we can work to prevent violence.
