Brand New Book ***** Print on Demand *****.This fast-paced and engrossing narrative of murder investigation and steamy adult romance will stimulate the mind and get the body yearning for more. Paralegal Daisy Sinclair works for a well-known successful criminal defense attorney in downtown Fort Worth. She works hard and plays even harder, but has a code to never mix business with pleasure. This code is tested when her boss hires Warren Cole as a criminal investigator to partner with her in a case defending a prominent figure against a double murder charge. Investigator Cole is a gorgeous six foot five former homicide detective and Navy SEAL with piercing emerald green eyes, unkempt jet black hair, caramel tan complexion and rock hard body. When Daisy catches herself imagining him handcuffed to her bed while investigating the crime scene, she soon realizes mixing business with pleasure maybe unavoidable. Daisy is a strong-willed free spirit who plays by her own rules and Warren is a cocky alpha male who is accustomed to going by procedure. This combination makes for an interesting and entertaining investigative team. As they set out to prove their client s innocence, they find themselves on a suspenseful winding journey of the many suspects and motives to discover things may not be what they seem, or are they? Between finding out who committed the murders and the provocative sexcapades this novel is sure to satisfy. **WARNING** This book is an adult read. It contains scenes of a sexual nature and adult language throughout. ***Includes excerpt of Getting Him Off Secretly (Getting Him Off Series - Book 2)*** ****Getting Him Off Series**** Getting Him Off is an erotic thriller series based around murder...
