By Gary Drewes

AuthorHouse. Paperback. Book Condition: New. Paperback. 632 pages. Dimensions: 8.7in. x 6.5in. x 1.6in.The Silent Vow gives many different angles and views of looking at an adolescents drugs habits. The ways of a child as drugs were more important than the graduation from high School, and yet the boy graduated with his class. The lessons in life that this boy learned were drastically different than his classmates. And how many times can an individual violate the trusts of parents, siblings and friends. Mending of the ways, redeveloping trust, and regaining self control will take a lifetime. Therapy and Medication have helped to sustain a life after the abuse of illegal chemicals. The many Insights helping to avoid the corruption of the drugs addiction is seen throughout this writing. Every time the substance abuse enters into life the destruction of what progress was made is destroyed. There may not be any physical signs, but chemical and substance abuse interferes with the emotional development of apersons well being and healing. These substances also interfere with the nurturing and healing of friendships and relationships. The decision for an individual is a personal one, and it is up to the individual to say yes...
