AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The journey continues south.home to the Tree People, a very old race of people that live in the trees; the Great Oak Sorela, sister to the Great Oak Napinka and the Great Caves which is home to the moonworms, airyshoots and puffleflies. Come along as we continue to travel through the Old Forest. Meet Luta, the Womalads and many others that call this forest home. This second book continues the journey south into the Old Forest. It is truly a great story too! I feel it was sent to me while I was gardening and it is a story that has become very special to me. I am truly having just as much fun as the characters are. It saddened me to bring this book to a close, so much so, I will probably write forever. I hope you can come along on this journey for it is a journey into the Old Forest and one I know you will enjoy.
