Cedar Pocket Publishing. Paperback. Book Condition: New. Paperback. 490 pages. Dimensions: 8.0in. x 5.0in. x 1.1in.If you crave epic, adventurous love stories, then meet Samuel and Rebecca and the iceberg that started it all. Two years after the sinking of the Titanic, fifteen year-old Rebeca Crowes fascination with icebergs leads her to save a shipwrecked survivor, Samuel Dalton, the nineteen-year old son of a Toronto medical family. Love sparks in the crystal cave of an iceberg but is thwarted by an unreasonable father and the Great War that drags Samuel and his brother, Matthew, to the Western Front as medical officers. Knowing Rebecca is home safe in Newfoundland brings Samuel great comfort. But as the war moves towards its final harrowing days, they both discover that tragedy and terror can strike anywhere, setting their love on an unforeseen path. Only when Samuel and Rebecca can fully come to terms with such devastating loss and their impossible choices can their love soar. With an emotional intensity reminiscent of The Bronze Horseman, Seldom Come By, named after an actual place in Newfoundland, is an unforgettable journey across waves and time and the full spectrum of human emotions. Seldom Come By is a haunting love story set against the windswept coast of Newfoundland. The story draws you in from the opening lines and takes you on a compelling journey across time and continents, through love, loss, heartache and healing. It is a beautiful and memorable story a great accomplishment and a wonderful read. Julie Fison, author of teenage romances in the Hardie Grant Smitten series I read the first chapter of Seldom Come By in the Romance Writers of Australias Ripping Start Competition and was immediately taken in by the beautiful descriptions, world building and the unique and soulful characterisation. And now that...
