They give stars and constellations imaginative names. Wherever you looked it was poetry in motion; there was a tale to tell. . What could be done to return the buzz to the skies? Why not rename the planets after interesting people? Children would look up and learn history and astronomy all at once. I m not suggesting anything I write should be read by children but years ago I decided to make a tentative list of new names of planets in honor of deserving people. All went well until I got to the planet I left to the end, the morning star. This planet personifies the feminine principle. Not only that but this is the planet of the carnival. The prophet Isaiah said when you feel the light of the morning star you feel the the greatest happiness a human can know, which he defined as looting. The Israelis imported their morning star from Babylonia, Ishtar, whose name they pronounce with a Hebrew drawl, Esther. The moment she arrived idolatry ceased in the land. Who gets the honor outside Israel? I was just interviewing candidates in my mind when in walked Madonna. Talk about Odysseus running up against the Sirens and there is only one of her. I had to hang on tight to my chair. To make the long story in the book short, she got the nod. But I m a Pythagorean. I believe numbers underlie everything. If I don t find numbers I move on. What s in her wallet? as Alec Baldwin might ask. I read in an Israeli newspaper that Madonna was born...
